SALT LAKE TEAM IS ORGANIZED

Blankenship Will Take Players to Los Angeles to Work Out Before League Opens.

Twelve players have been signed for the Salt Lake team in the Union Baseball association league and practice will begin early in April according to L. E. Thiel, owner of the Salt Lake franchise. Manager Blankenship has been scouring about the country for some time and has picked up a strong aggregation. Several more players will be signed by the Salt Lake team and some of the players now in town will probably be sold later in the season. Blankenship is now in San Francisco and he will take the team to Los Angeles for early practice. This will give him an opportunity to work the players out and see where his team needs strengthening before entering the league schedule. The player signed are: Catchers—Blankenship, Hannah, Davidson, Winchell. Pitchers—Hummel, Kane, Stevens. First Base—Kaefer. Second Base—Bassano. Shortstop—McNamara. Third Base—Jansing. Outfielders—Tark.

The freshmen basketball team defeated the junior team of the University of Utah yesterday afternoon in the first game of the interclass series, by a score of 27 to 18. Coach Fred Egan was refereed and secured a good line on the material for his team. The players were fast and many brilliant throws were made during the game. At the end of the first half the score stood 15 to 8, in favor of the freshmen. Brown, Sutherland and Titus played the star game for the freshmen while Gardner and Dean carried off the honors of the junior team. The second game will be played this afternoon in the university gymnasium between the seniors and sophomores.

The line-up follows:

Emerson	2	0	4
Franklin	1	2	4

Hamilton	0	2	0

In the public school soccer league Monday afternoon, the Franklin team defeated the Emerson boys, by a score of 1 to 0. The Franklin team played in form, the Emerson team fumbled and allowed the score. The first half was keenly contested, each side attacking in turn. Peterson for the Franklin being prominent in several breakaways, but H. and T. Lyman were always just too much for him. On change of ends the long-drawn struggle continued and eventually five minutes from time, the Franklin made a splendid rush down the center and scored through the Emerson keeper by kicking and allowing the ball to slip over his shoulder. The Emersons will now have to defeat the Lafayette in their game next Friday in order to tie for the championship.

The line-up follows:

BAT NELSON, FORMER LIGHT WEIGHT CHAMPION, BEING COUNTED OUT FOR THE FIRST TIME IN HIS CAREER.

New York, Dec. 13.—Owen Moran, the sturdy Englishman who knocked out Bat Nelson in the eleventh round in Frisco recently, is trying hard to force Ad Wolgast, the lightweight champion of the world, into a match for the title, to be decided as soon as possible. By crushing Nelson, who was counted out for the first time in his ring career, Moran accomplished more than Wolgast, who could not stop the Dane in 40 rounds. Moran went to California solely for the purpose of helping Nelson, so that he would be in a position to challenge Wolgast. Having accomplished the feat, Moran, through his manager, Charles J. Harvey, will soon post a big forfeit accompanied by a challenge to Wolgast offering to fight him any number of rounds or to a finish at 125 pounds, ringside, the purse to be split any fair way. The picture shows Nelson going down after Moran landed a terrific right hand on the chin in the eleventh round. A second or two later he collapsed on his face and was counted out. Four times before this he was knocked down, rising bravely each time. Nelson had great recuperative powers, and he recovered enough to get up a couple of seconds after the end of the 10-second interval.

WALTER CAMP PICKS ALL STAR ELEVEN

Three Western Men Are Given Places On the All-American Team Of Season.

TIE TEAM.
Ends—Kilpatrick, Yale; Wells, Michigan.
Tackles—McKay, Harvard; Walker, Minnesota.
Guards—Benbrook, Michigan; Fish, Harvard.
Center—Cozens, Pennsylvania.
Quarterback—Sprickling of Brown.
Halfbacks—Wendell, Harvard; Pendleton, Princeton.
Fullback—Mercer, Pennsylvania.

Chicago, Dec. 12.—Three westerners won places on the All-American eleven, which appears in the current issue of Collier's Weekly, while several other members of western teams won honorable mention, and the style of play of the leading western eleven met with a deal of favorable comment. Benbrook of Michigan is played at guard for the second time, Wells of Michigan is awarded one of the end positions, while Walker of Minnesota is given one of the tackles. Besides selecting his all-star eleven, Camp also comments on the season's play, the big games and the number of injuries which resulted from the modifications made by the rules committee last year. Camp asserts that elimination of the push and pull of the man with the ball did a lot toward lessening the fatalities, and it also tended to open up the attack more by removing the assaults from the tackles.

PHILADELPHIA, Dec. 12.—Horace Fogel was today re-elected president of the Philadelphia National League baseball club. President Fogel reappointed William J.

CENTRAL DIVISION OF BASKETBALL LEAGUE

(Special to The News.)
Lehi, Dec. 12.—Six teams entered the central division of the Utah state high school league in the central division, which was organized here last night. The teams, which will play out the schedule, are: Tayson, Lehi, Spanish Fork, Pleasant Grove, American Fork and Springville. The Utah County league will open Friday night, Dec. 16, with Lehi at Pleasant Grove, Putnam at Spanish Fork and Spanish Fork at American Fork. Lehi has a fast bunch, three stars of last year's team being in the line-up while two new men are more than holding their own with the veterans. Tayson has a veteran team, also. Four of last year's men being back in line, but it is thought that the loss of Porter will be felt by the last year county champions. Pleasant Grove has excellent prospects to win, having recently defeated the B. Y. U. in one half, 5 to 6. Springville has mostly new material, but with a new zealismism, which is to play all kinds of success is predicted for the boys.

HENAGER'S ORGANIZE GIRLS' BASKETBALL TEAM

The Henager's girls' basketball team was organized last night when about 20 candidates appeared at Armory hall and were divided into two teams. The team of last year's team will play again this year. Among those out were a number of old high school players, Clara Cannon, Helen Hutchinson, Nina Johnson, Faith Redman, La Yen Browning, and Gay Vance. From Granite the three Green sisters and Viola Galt. Others who have played on teams in different parts of the state together with a number from the grade school teams are trying for places on the team. Bob Richardson is coaching the team.

PRIZE FIGHT GAME RECEIVES KNOCKOUT

Promoter Harry Heagren Informed By Mayor Bransford That Mustn't Have It.

Prize fighting received a knockout blow from Mayor John S. Bransford yesterday afternoon when he informed Promoter Harry Heagren that 15-round fights would not be allowed in Salt Lake City because it was against the law. Heagren was being backed by an undesirable element who have had their fingers in the game here before and pulled off some rank lake fights and fixed matches. Heagren declared that he had a permit from Chief of Police Sam M. Barlow, but Chief Barlow probably overstepped his authority if he gave Heagren permission to break the law. Evidently Mayor Bransford knew nothing about Barlow issuing his proclamation allowing Heagren to break the law. The fight was to have been between Frankie Conley and Jimmie Reagan. The date had been arranged for Dec. 26, but the date was changed to Dec. 22.

FIREMEN GIVE BOUTS.

The Murray Firemen association gave a boxing bout at the Fremont stadium last night to a crowded house. Young Hibbard of Fort Douglas, and "Red" Leonard of Murray, were the rounds to a draw. While the soldier had a little the shade Referee William Beardsley allowed Leonard to break the law. Leonard was popular in the preliminary Joe Olsen and Young Farrell of Murray boxed six rounds to a draw and Baker and Edgar Wright, two of the Murray firemen, put up a fast 4-round exhibition.

JOHNSON AGREES TO FIGHT WINNER OF MATCH

Chicago, Dec. 13.—Jack Johnson, champion heavyweight pugilist, agreed last night to fight the winner of the Langford-Leavitt fight scheduled to occur in Paris next February, in a 25-round bout to take place in France next April for a purse of \$25,000, provided the money is posted in America and an American is the referee. "I insist on an American as referee," he said, "because I do not want any lenient handed men. If they don't come across with my two conditions then there will be nothing doing."

PAT POWERS IS OUSTED FROM EASTERN LEAGUE

New York, Dec. 12.—The Eastern league of professional baseball clubs met in annual session today at Hotel Victoria ousted Pat Powers of Jersey City from the presidency, which he had held for 18 years and elected Edward G. Barrow of Toronto, recently manager of the Montreal team. The session was attended and closely watched by the club owners of the two major leagues, the National and American leagues, and there is expectation that the Eastern, now in a prosperous condition, will demand recognition as a major league.

LAUNCH FOR CADETS.

Phil O'Mara Makes Tender to Boys From High School.

If the high school cadets go to southern California on their next trip they are assured of at least one feature that will add materially to their pleasure and a Salt Lake man will provide the means. This morning Manager Phil S. O'Mara of the American roller skating rink, sent a communication to Capt. W. Webb offering the cadets the use of a 27-foot launch, owned by Mr. O'Mara. The launch is a 10-horsepower craft of 25 passenger capacity, and is not only a pleasure voyager, but everything necessary for a pleasure voyage. It has electric lights and upholstered furniture. It also has emergency sails. The launch is at Catalina and was used by Mr. O'Mara last summer when he broke the world's record for time fishing. He will place the craft at the disposal of the cadets and it will help to give them a good time on the coast.

GOLF PLAYERS WILL HOLD LIVELY SESSION

Many Amendments Will Be Discussed Besides Making Fight on Ticket Up for Election.

Chicago, Dec. 12.—Aside from the fact that opposing factions of the Western Golf association will battle over the legality of the present ticket which is up for election, the well known golfers of contention for those belligerently inclined. Many amendments to the bylaws of the organization are desired, and it is considered probable there will be complaints against some of them. One of the amendments which will be brought up at the annual meeting Jan. 21, will cover the matter of nominations. Former President C. F. Thompson wants it made imperative that nominations be in the hands of the secretary by a certain time or he declared void. Another change, if carried, will prevent any man under the age of 25 years having part in the affairs of the association. It will also be asked that any five members of the association, regardless of whether they belong to the same or different clubs, be allowed to put an independent ticket into the contest. It is put into the laws that officers must belong to a club which is a member of the association, the latter having never been done, although the rule has been kept. The question of creating a new national organization, it is expected, will also be before the meeting, having been left over from last year.

JAKE STAHL GIVES UP PLAYING BASEBALL

New York, Dec. 12.—President John L. Taylor of the Boston Americans, received a letter from Jake Stahl last night, dated Chicago, Dec. 11, in answer to a letter from the Boston manager asking if Mr. Stahl really meant to give up professional ball playing. "I have fully decided to give up baseball," writes Stahl, "and stick to the banking business, as I consider that it is my duty." After reading the letter, Mr. Taylor said: "The letter has the true ring and I am convinced that Mr. Stahl has decided to quit. I am certainly very sorry, for we all like Jake very much in Boston. Boston will look about for some one to play first base."

LYNCH MAY BE ELECTED PRESIDENT OF LEAGUE

New York, Dec. 12.—The consensus of opinion among baseball men gathered here last night was that should the National league club owners at their meeting here today reach the election of officers, Thomas J. Lynch of New Britain, Conn., who has held the office of president for a year, will be re-elected. While he may not get the votes of all the night clubs, his supporters say he is sure to have the backing of John T. Brush, Garry Herriman, John F. Harris and Harry Dreyfuss, and perhaps the vote of Horace S. Fogel. Fogel, however, wants to find out first whether the owners are to be allowed the absolute powers they had last season. Charles Ebbetts, who hoped to get John Montgomery Ward elected president last winter, and Charles W. Murphy, who aided Ebbetts in this plan, may have some candidate in reserve whom they will run against Lynch. But Lynch's adherents profess to have no fear of the outcome. At today's meeting all the club owners except Brush will be present. He is in San Antonio, Tex., and will write who shall represent him at the meeting. With the National league meeting today and the American league meeting on Wednesday, New York is full of baseball talent. President Johnson of the American league already is here. John L. Taylor of Boston, an early ardent supporter of Lynch, is expected to offer for any of his players except Speaker and Wagner.

RAYMOND WILL WRESTLE.

Chicago, Dec. 12.—"Bugs" Raymond of the New York National's pitching staff has been induced by friends in Chicago where he spends his winter, to take up the wrestling game, and next Saturday night he will go on for a finish match with Joe Kennedy, the local semi-professional at a local theater.

GEORGE SUTTON

BILLIARD STAR WHO SEEKS MATCH WITH HOPPE

Chicago, Dec. 13.—George Sutton, the former holder of the 13.2 balk billiard title, has recovered from the illness which forced him to retire from championship competition last season and is again going after his old title. Sutton says he is in better shape and more capable of playing now than he has been in many years. He has a bad stroke and more stamina and is much more confident of himself than for two or three years. He has been playing practice matches at his hall here every morning for the past month, and says he notices the total absence of the fatigue which affected his playing last year. Sutton is now after a match with Willie Hoppe and will be ready for the youthful billiard champion in a month or so.
